

Approval of heat treatment facilities at AB Höglands Såg & Hyvleri

The Board of Agriculture approves the heat treatment facilities of AB Höglands Såg & Hyvleri in Örnköldsvik (*org. No. 556057-4328*) for heat treatment in connection with kiln drying of sawn wood products, wood packaging material etc. This approval is given in accordance with Swedish Regulation (SJVFS 2004:53) on heat treatment, drying and marking of sawn wood products, wood packaging materials etc, and on the condition that the company complies with the instructions given in the inspection protocol of SP/Trätek. Accordingly, sawn wood products that have been heat treated by the company in connection with kiln drying as described in this decision, may bear the following mark:

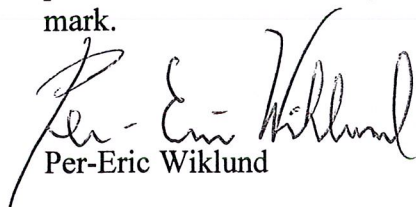

SE-Y36

The company's official registration number at the Board of Agriculture is SE-Y36.

The approval has no time limit, but may be withdrawn if an inspection by the Board of Agriculture finds that the company no longer fulfils the requirements. If the approval is withdrawn, the above marking may no longer be used.

Swedish Regulation (SJVFS 2004:53) and more information about the Swedish system for approval of sawmills can be found at www.sjv.se/pps. Click on the English flag for an English version. Please note that only wood products that fulfil the requirements of the above regulation may use the mark.
